I understand that running a road race is a potentially hazardous activity. I have read the race flyer and am familiar with the course, procedures and rules. I should not enter and run unless I am medically able and properly trained. I assume all risks associated with running in this event including, but not limited to: falls, contact with other participants, the effects of the weather, including cold, snow and/or ice, high heat and/or humidity, rain and/or hail, traffic and the conditions of the road, all such risks being known and appreciated by me. Having read this waiver and knowing these facts and in consideration of your accepting my entry, I, for myself and anyone entitled to act upon my behalf, waive and release the organizers of the Knights of Columbus 2026 Respect Life 5K, its directors, officers, staff, volunteers, Light of the World Roman Catholic Parish and its staff and employees, and all sponsors, their representative and successors from all claims or liabilities of any kind arising out of my participation in this event even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. Further, I grant permission for all of the foregoing to use any photographs, motion pictures, recordings or any other record of this event for any legitimate purpose. Additional Team Category Rules and Information:

If you use snail mail (USPS), it is recommended that you mail the registration forms together, if possible. If not, make sure the team captain and council/team name match on each registration form. If you decide to register online, have the team captain register first and then team members can search for the council number or parish/organization team name. The captain also has the ability to register (and pay) for all team members online. You may run as a member of **only one** team. **Each team must have a minimum of four participants** (no maximum limit). The entry fee is **\$30.00 per person** per team. All team members will receive a T-shirt and bib. The four fastest finishers' times count toward the total time. The lowest combined total team time is the winner. For the Parish team category, at least one of the four qualifying times must be female. For example, a Parish team with ten members (six men and four women) will have a total team time consisting of the fastest female's time and the next three fastest times, regardless of gender. **Team entries must be received by July 15th.** All team participants are eligible for individual awards and the prize drawing.
